I make no representations one way or another Andrew, merely point out that your statement is an unfounded assertion.

Steve,

Are you representing that ZTE has no oral or written agreement with CyWee?

Andrew,

You make an unfounded assertion that CyWee and ZTE have reached an agreement. We stand by the papers as filed, our positions are still adverse to CyWee, and will not be moving to terminate.

Best regards,

Steve

ZTE (USA), Inc., and LG Electronics Inc. v. Cywee Group Ltd.
IPR2019-00143, U.S. Patent No. 8,441,438 B2

Subject: IPR2019-00143 Proceedings

Steve, Nicole and Howard:

As you know, we've been trying for some time to reach you to discuss the situation in this IPR. Because ZTE and CyWee have reached an agreement (by settlement or otherwise), please let us know: (1) whether ZTE opposes LGE assuming the role of lead Petitioner or otherwise being granted permission to make filings in the IPR and to maintain the parties' original request for oral argument (and to argue at any oral argument); and (2) whether ZTE intends to file a request to terminate with respect to ZTE, and if so, by when.

Thanks and best regards,

Andrew
